Yeah...
So you're Hazakura.
I see.
スッ…
How mysterious.
I'm getting a deja vu vibe somehow...
?

Hiwatari Nomiya-san resembles Himari-san, don't you think?
Ahaha
We're cousins!
It's not unusual that we look alike!
No way, not at all!
...Hmph.
Going with that logic,
does that mean you have relatives nearby as well?
チャ!

STIMULATION

ハッ
わくわく
You two... I hear it's really sensual when two Link Organ bearers copulate! ♡
In any case, sorry for interrupting.
Don't worry about me. Please start.
ニヤニヤ
Is... is that so?
ソッと…
He... heh...
Geez, I'm so envious!
Simply put, the woman feels the man's pleasure and vice versa at the same time.
Yep! A carnal pleasure travels through the Link Organs mutually, going back and forth... or some thing?

Well...
I'm a virgin, so I wouldn't really know about that!
アーー
……
So bold...
With that said, you two should hurry it up.
It's not like you'll always have a day like today.
トン
トン
Actually...
Um...
Hm?
What's wrong?

!!?
You want me to join in too?
.....
Could it be?
しゅる?
I didn't expect it to be a threesome, in the beginning...
It can't be...
Eh?

Since I'm the only one without a Link Organ, I'll feel totally left out, but...
If I think of this as sacrificing myself to observe the copulation between Link bearers... then it can't be helped.
I'm just *pitching in a little...*

Note: In Japanese, "pitching in a little" also means to "undress a little."

Hm?
Um...!!
?
You're not?
カアァーッ
We're not going to do it, so...
I don't particularly want Hiwatari Nomiya to join in...
ほぁ
W-w-wh-wah...!!
But I'm sure Himari was *dying* to do it with Hazakura-
は?..!!

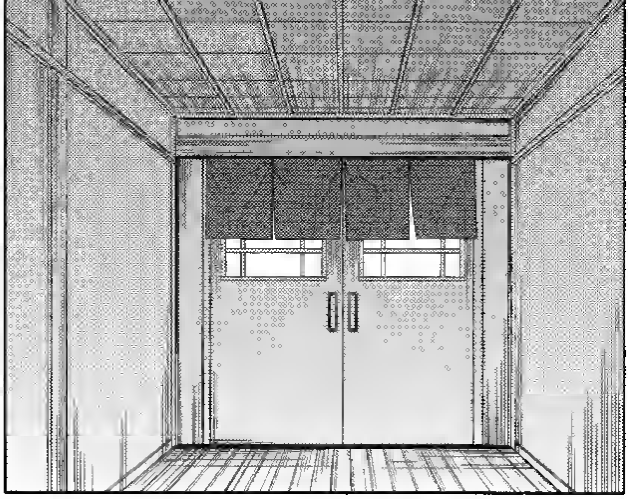
What an indecisive person...
Anyway! I'm saying this and that isn't happening here right now!!
ドキッ
じっ...
Er- erm...
Hazakura, do you think so too?
ずるっ...

..This shows that there's a chance...
Seeing how he retreated a bit, maybe I should execute my original plan...
I'm not wearing any panties.
Hazakura, what do you think about that?
That reminds me. This is a bit sudden, but...

Eh- P-pa-pa-pa-pa-pa- panties ...!?
ゴクッ
...I see. Seem there's an effect!
It appears there's a rather high interest from a guy if a girl's not wearing any panties! ♡
Eh? Ah, that isn't...
Motoya's so dirty...
Wa- wait a sec, Himari- san...!!
メリーン

I guess I was too hasty with wanting to observe you two copulating.
We should have a lengthy talk together first.
...Anyhow,
I must've been a bit overexcited too. I'm sweating.
...Okay.
Let's talk in the bath!
Eh?

Assemble in the bath naked in 10 minutes!
ビシッ
That's an order!
ニヤッ
Well then.
ぽかーん…
……

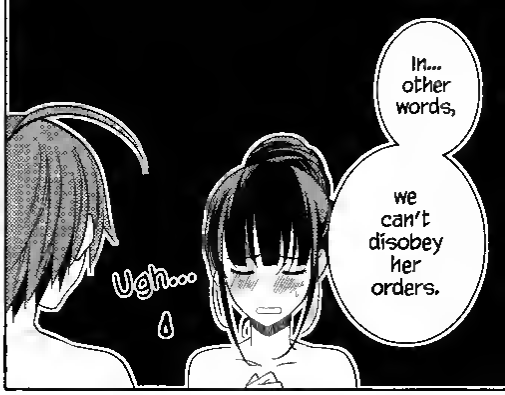


カラ
……

Woah! She's seriously here...
And not wrapped in a towel...

In a word, a prodigy.
Not only is she related to the Imperial Family, but she reached where she is now with just her own abilities.
She's the one bearing the future of this country.
Woah...
.....
She's currently the Captain of the Information Bureau that's linked to the General Staff Headquarters, but...
Soon, she may become become the Minister of the Navy.

Do I really need to go?
...It's an order,
so we've got no choice ...
What kind of person is Hiwatari Nomiya-san...?



In... other words,
we can't disobey her orders.
Ugh...

...I see.

An- anyway! She's someone you need to be careful and resolute around!
Do you under- stand !?
I-I'll do my best!

No Panties Principle
Further- more...
I guess you can say that... Hiwatari Nomiya's kinda weird..
Kind of perverted...

And...
.....

...That's sorta what it felt like, huh?
Note: In Japanese, "invite" can also mean "tempt."
I don't know what her goal is, but she did go out of her way to invite Motoya, so...
Pl-please protect your conciousness and pride so you aren't seduced by her!
Affirmative!
Alright!
The real battle begins now!

カポーン…
...I see.
……
チラッ

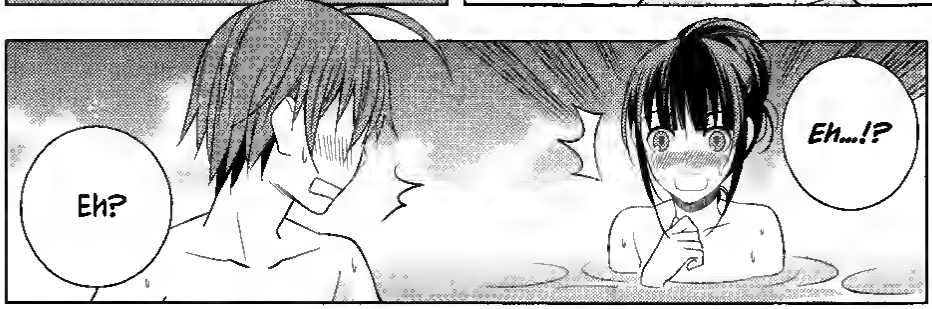
Wah-
ぱしっ
Don't look~!!
!!!
Well then.

……
Time travelling, hm...?
I could come to understand that in itself.
くるっ

But...
I can't believe it completely.
That's right.
I don't think Himari's lying, but...
A guarantee coming from a Link Organ means nothing to me.
If we assume the Link Organ is something that's telepathic,
I imagine it's also possible to use it to deceive someone...

...I understand.
Regarding us Link Organ bearers, something we confirm through the Link Organ is the same as confirming it with our eyes or hands,
but the feeling of realism can't be conveyed through words...
.....
シャアアア
キュッ
However,
if we could time travel through the Tower of Deceased Gods,
I have a feeling we can explain several of the tower's mysteries.
...Therefore, hypothetically, I will accept this.
...So,
this Hazakura Motoya is the Hazakura Motoya from three years ago, correct?
Y-yes...

...Then that means,
ニヤ
the one who is here before me is the virgin Hazakura Motoya who hasn't bonded with Himari yet?
カァー
.....
...That's right.



Eh....!?
Eh?

Motoya...
Am I your first girlfriend...?
もじ
もじ

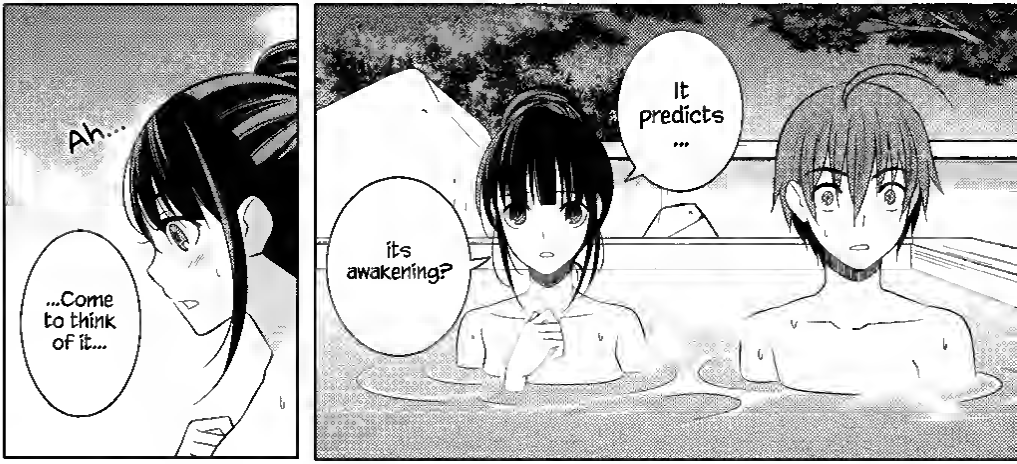
Y-yes...
Is- is that true!?

No, well I'm trying to say that I haven't gotten a girlfriend ye-
Buh-
Hah~
.....
Anyway!
We need to verify whether the tower is an apparatus that allows time travelling!
Since we can only advance our hypothesis by verifying that...

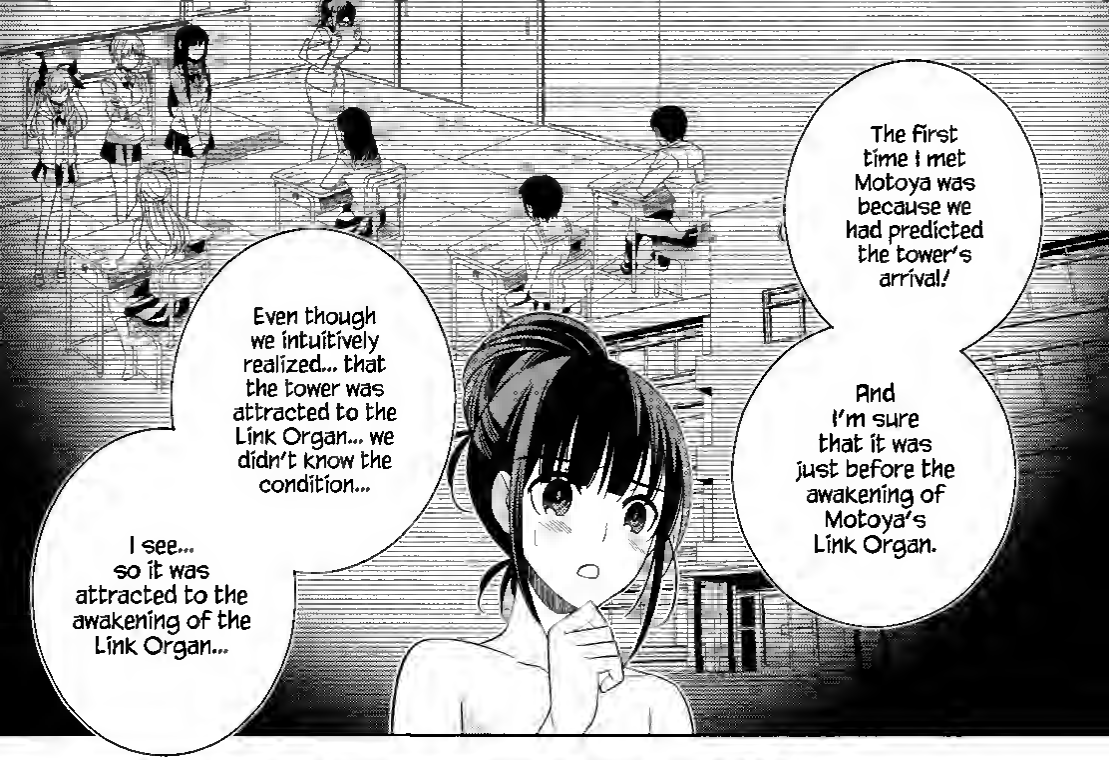
.....
Am I wrong?
...So that's why we need the tower!?
Huh?
Aren't we clue-less?
On how to summon the tower...
Yes,
I was sure that Grandfather researched the details...
We tried looking through that room earlier for research material...
How to summon the tower... you ask?

Ahh... the stuff these two talk about just before they copulate!
Ahaha...
Ughh
There's something I heard about.
!!!
What do you mean-

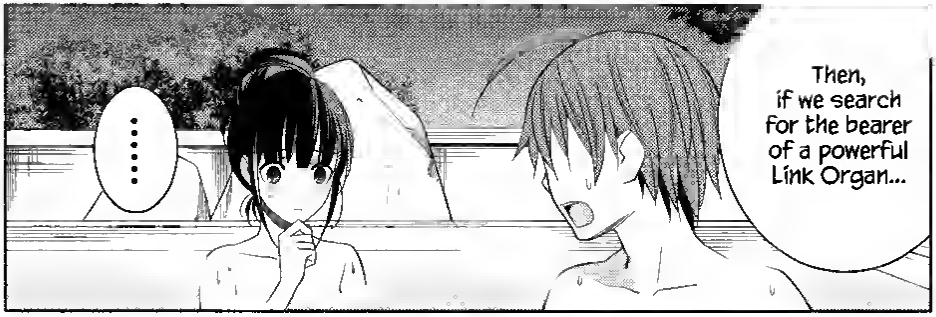
It's said... that the tower is drawn to the Link Organ!
In other words, the awakening of a Link Organ.
The tower predicts a Link Organ's awakening.



Ah...
...Come to think of it...
It predicts ...
its awakening?



The first time I met Motoya was because we had predicted the tower's arrival!
And I'm sure that it was just before the awakening of Motoya's Link Organ.
Even though we intuitively realized... that the tower was attracted to the Link Organ... we didn't know the condition...
I see... so it was attracted to the awakening of the Link Organ...

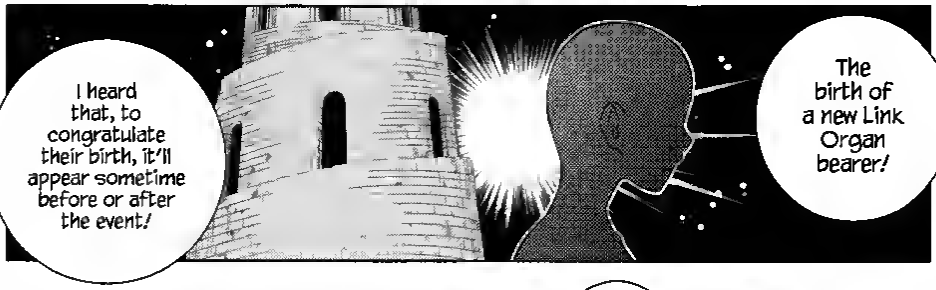


.....
Then, if we search for the bearer of a powerful Link Organ...

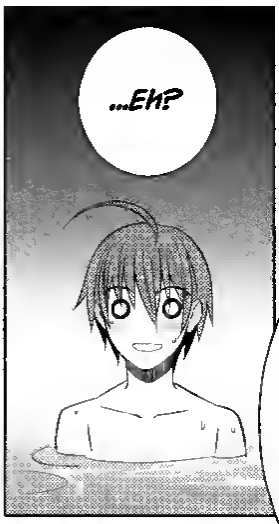
.....
There are bloodlines with strong enough Link Organs relative to Hazakura or Hagakure's, but...
They can't be found that easily...
Since there's no other way to find a non-awakened Link Organ except through an MRI.

Eh?

It's okay!
There's one more possiblity for the tower to appear!



I heard that, to congratulate their birth, it'll appear sometime before or after the event!
The birth of a new Link Organ bearer!



...Eh?

Yes it is!
And, if Hazakura's children are born, I'm sure there's a high probability that a Link Organ bearer will be born within them...

Is that true?

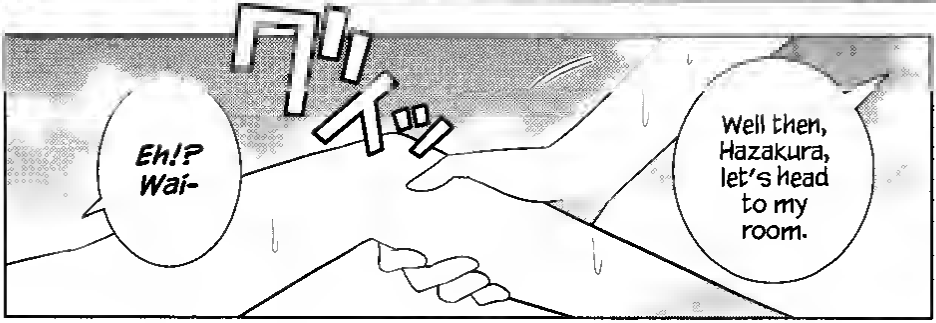
That said!!
Well now!
Start making kids!

レーーん...
.....
Your reactions are pretty weak, huh?
?

How about I be your partner?
If it suits you...
グイッ
はぁ…
なぁ
The children of a Link Organ bearer that I can experiment with however I wish...
Just the thought of it gives me great dreams...
It'll take at least 10 months and 10 days from now.
I should strike while the iron's hot, hm...?
つつ

No!!
Gweh-

This is a governmental project.
Himari, forgive me.



Eh!? Wai-
Well then, Hazakura, let's head to my room.

I'm forced to stay home everyday to care for my mother, who has been sick for over 15 years. If you love my releases, please consider donating at KireiCake.com to support our livelihood. All proceeds go towards offsetting her medical fees. Thank you very much for reading!

Himari-san...?
.....
...Very well!
Then, Himari, why don't you make that resolve of yours a reality?
